Subject: True Return Systems, LLC v. MakerDAO

Dear David A. Boag

I am referring to the case No. 22-cv-8478 (S.D.N.Y filed Oct 5, 2022), True Return Systems, LLC v. MakerDAO.

In relation to the case, I have been contacted by a group of individuals, who has an interest in the case, and who is considering to file an amicus brief.

Given the complexity of the case and in order to ensure sufficient time to prepare the amicus brief, I kindly ask you to approve a 60 days extension of the deadline. I kindly also ask you to disclose the e-mail to the court prior to the expiration of the deadline.

Venlig hilsen/Kind regards

Payam,

Thank you for your email. I was out for a few days.

The Federal Rules of Civil Procedure and the Local Rules are silent on the filing of amicus briefs in district court and we are not aware of any mechanism by which we could grant such an extension, even if we were inclined to do so. We recommend that you contact the Court directly or enlist local counsel.

Regards,
David
